DETAILED ACTION

Election/Restrictions

Claims 4-8 remain withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected claims.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-3 are rejected under 35 U.S.C. 102(b) as being anticipated by Miyazaki et al (Japanese Patent No. 11-238352).

With respect to Claims 1-3, Miyazaki et al, Figures 1-7, teach a magnetic tape cartridge comprising: a single reel 2 with magnetic tape; a cartridge case 1; reel rotation restraining means wherein said reel-rotation restraining means has a reel locking member 16; an urging member 17; a releasing member 18 wherein said releasing member has a generally triangular plate portion, and three vertex portions and having a lower end which is inserted into a through hole 31 provided in said reel and abuts part of the rotation means.

Allowable Subject Matter

Claims 9-37 are allowed.

Response to Arguments

Applicant's arguments filed February 3, 2004 have been fully considered but they are not persuasive.

Art Unit: 3654

With respect to applicant's remarks on page 12 regarding the Miyazaki reference, it should be noted that these remarks are not commensurate with the scope of the claim. Note that it is of little or no consequence how the release member is assembled. As such, the claims, as set forth, read on the Miyazaki reference.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
